

FREQUENTLY ASKED QUESTIONS (FAQ)

1. What is The Leonhard Euler Scholarship Grant?

The LESG is a 6-year scholarship grant from Westfield Science Oriented School. It is open to all elementary graduating students with exceptional abilities in verbal/non-verbal, science, and math subjects. LESG applicants undergo deep selection through written assessments and interviews. Once selected, the applicant is offered the benefits of the grants and shall be required to finish their secondary course under the WSOS's educational program. The grants may include free tuition/miscellaneous fees, and school/PE uniforms.

2. What are the credentials required to qualify, and where can a student get a copy of the LESG Application Form?

The candidate must meet the following requirements: i.) be an elementary school graduate or in the GS6 level of the current school year; ii.) have no grades below 80% in any subject during the THIRD QUARTER; and iii.) have a good record of behavior. The **Westfield Science Oriented School Admissions Office offers application forms without a fee.**

3. How can a qualified applicant avail of the scholarship grant?

A qualified applicant must submit two (2) copies of 2 x 2 colored pictures in addition to the LESG Application Form, which must also have the principal or registrar of the school sign the section on recommendations before the test. **Applicant/s must pass the qualifying test before moving on to the final screening** and shall be required to go through a face-to-face interview. **The benefits of the scholarship grant are only provided to applicants who made it beyond the final screening.**

4. When is the schedule of the examinations?

The qualifying examinations will be held on Saturday, 28 February 2026 at Westfield Main Campus, BF Resort Drive, BF Resort Village, Las Pinas City. The schedule for the Final Test will be announced thereafter.

5. What are the subjects covered in the examinations?

The qualifying examinations cover assessments of verbal/non-verbal abilities and tasks in Science and Math subjects.

6. When is the deadline for submission of the application?

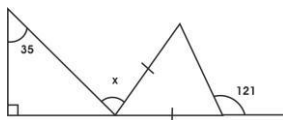

All application forms must be submitted at the WSOS Admissions Office **on or before Thursday, 26 February 2026.**
